**Tarot is a tool that is greatly misunderstood
and mostly associated with divination,
but its true purpose moves far beyond
the realm of fortune telling!**

Empowering the public with the knowledge and tools of the Divine; exposing the true powers of Tarot!

I would like to take this opportunity to introduce myself, my name is David Lacopo and I am organizing this event to break the misconceptions of Tarot, as it is a powerful tool which can help us restore and maintain our physical, mental, emotional, and spiritual balance.

Tarot is essential for leading a positive lifestyle:

- Remaining at peace with ourselves and everyone around us;
- Remaining in control of our thoughts and emotions;
- Reaching higher states of consciousness;
- Manifesting our true desires;
- Raising our vibration;
- Reconnecting with our Ego and our Soul;
- Realizing we dwell within a physical body; we are not the physical body.

The Truth Isn't "OUT THERE", The Truth Is Within!

Tarot is about understanding yourself, and making sense of the world we live in.
